About Our Acrylic Series

Stress Free Signage!

Ordering complete facility signage has never been so easy. The interior signage experts at Etch Houston have recently designed Five Standard Acrylic Signage Series with you, our customers, in mind to simplify your signage purchasing process. We offer the signage you need, in the colors you want, with the two week lead time you require.

Create your Facility Signage in Three Easy Steps:

1. Choose One of our Five Standard Acrylic Signage Series
2. Select your Two Color Combination from our Forty plus color library
3. Your Facility Signage is complete!

We have been designing and manufacturing signs for over 37 years; let our experienced signage experts flawlessly guide you through the facility signage planning process.

Acrylic Color Choices

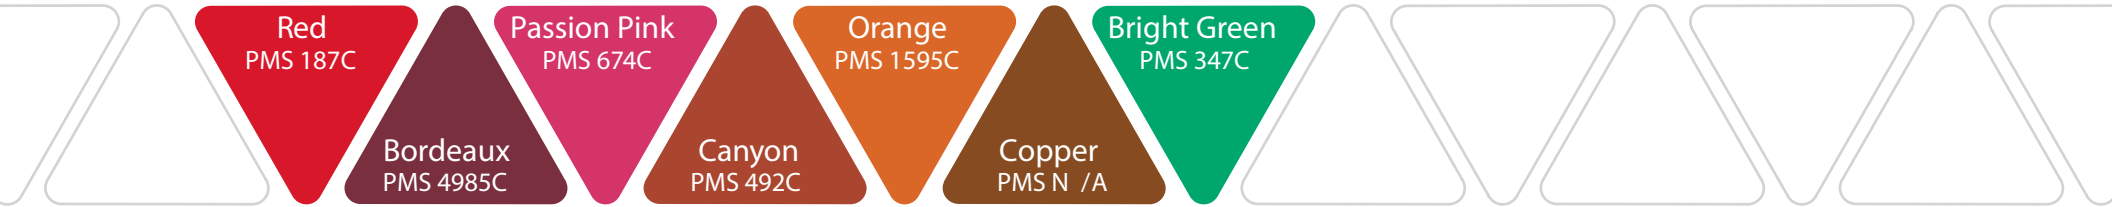

Buy with Confidence!

Choose two acrylic color options from below or select from our popular color combinations. Colors will have the highest contrasting tactile: Bright White Tactile or Black Tactile. Our Materials are made in the USA using Recycled Content for LEED Qualification.

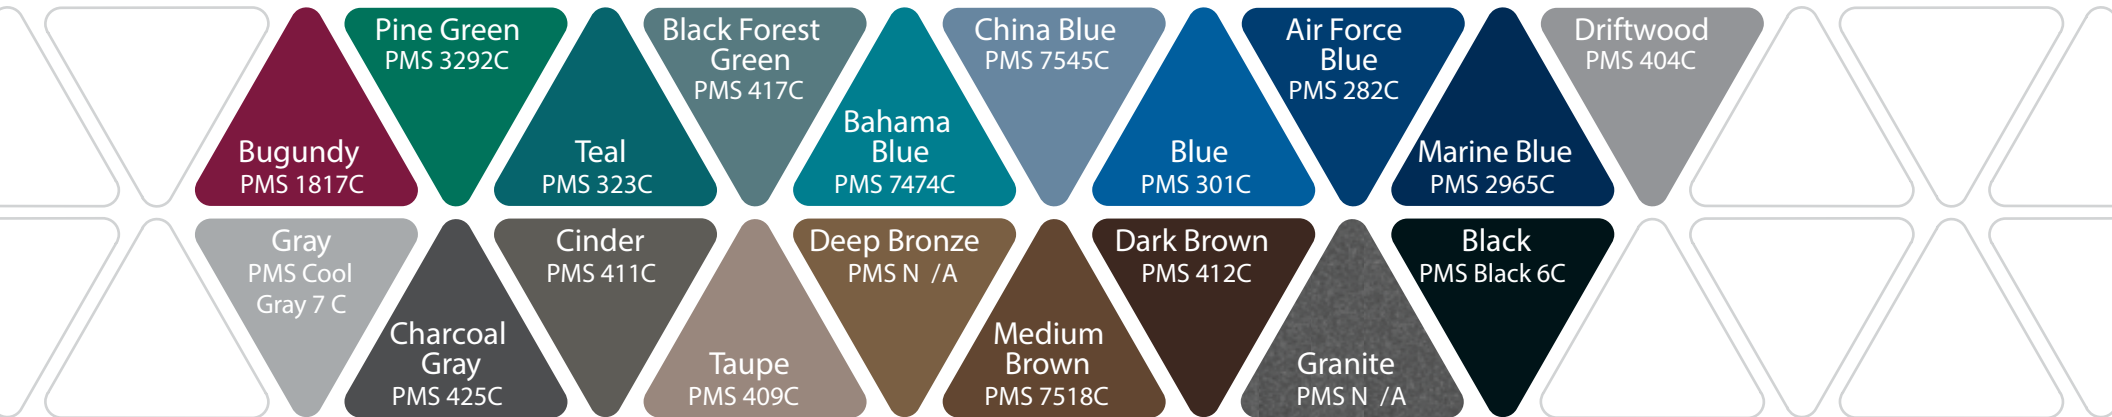

** Colors may not be exact as shown due to printer and screen limitations. The Pantone Matching System (PMS) is a system shared worldwide by the graphic arts industry and refers to printed colors. Colors displayed are intended to show APPROXIMATE color finish and should be used as a reference guide only. All colors are matched as accurately as possible using provided formulas.
